

## REMARKS

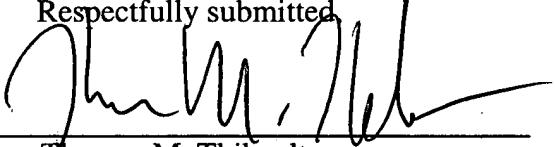

Claims 1-29 are pending in the present application. In the Office Action of June 1, 2004, an election of a single species from the claims was required, with claims 9 and 25 deemed to be generic. Species A was identified as shown in Figs. 10-14 and species B was identified as shown in Figs. 15-17. Applicant hereby provisionally elects species A, withdraws claims 1-4, cancels claims 5-29 without prejudice, and adds new claims 30-47, directed at species A. Applicant believes that claims 36 and 43 are generic to both species.

Applicant believes that a full and complete reply has been made to the outstanding Office Action. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.
